Greetings to you all!

I would like to start out this report and take this opportunity to thank Sister Dawn Svendsen, Chief Shop Steward & Office Coordinator, for her tireless work while I was away.

CUPE National Convention is always interesting but it was more so this year because there was a contested election for the position of National President. After some serious politicking, throughout the week, I am happy to announce that Brother Mark Hancock, President of CUPE BC, will be your next National President.

I am participating in the search committee for the Vice-President, Administration position that was vacated by Peter Lockie when he retired. That committee expects a final decision on the successful candidate sometime by the end of the month.

It is my goal to address the comments and feedback that came back from the survey we sent out to the membership. I am hoping that we can do this sooner rather than later.

In Solidarity,

Tony Nelson, President
