## ON THE FRONT LINE

**December 3, 2014**  
**Communications report**

**Website:**

In good order. Thanks to Dawn, Tony and Keith for regularly sending update material.

**Social Media:**

Twitter – 134 followers as of December 3, 2015. The CUPE 2081 Twitter account was recently followed by an administrator from Camosun Human Resources. As that account was protected from view and a request to follow was ignored for ten days, it has been blocked.

Facebook – Roseanne Harvey and myself to discuss next steps at Communications Committee meeting December 4, 2015

**Pressure Point:**

Pressure Point Fall 2015 print edition was completed by the Lansdowne Printshop (in remarkable turn-around time) and has been distributed to members on the paper-copy opt-in list.

In Solidarity
