

EXECUTIVE REPORT – COMMUNICATIONS

December 6, 2016

General:

2081 swag was circulated at the recent (November 23-25) VIDC Steward's Conference. The soup bowls were an immediate hit, as were the tote bags. On November 26 I attended the Vancouver Island District Council General Meeting. As the events ran back to back, carpools were arranged both ways.

Pressure Point:

The local is no longer using Adobe software to produce Pressure Point. Test templates for Apache Open Office have been downloaded and a Pressure Point is scheduled for January. A communications meeting is scheduled for Wednesday, December 8.

It is hoped that the new template will streamline production while being simpler and yet more flexible platform.

Social Media:

Twitter – 279 followers as of December 5, 2016.
