All other provisions of the agreement shall remain in full force and effect.

After a grievance has been initiated by the Union, the College's representatives will not enter into discussion or negotiation with respect to the grievance, either directly or indirectly with the aggrieved employee without the consent of the Union.

ARTICLE 11: ARBITRATION

11.01 Composition of Board of Arbitration

- (a) In this Article the term "arbitration board" means a single arbitrator or a three (3) person panel.
- (b) When a party has requested that a grievance be submitted to arbitration and either party has requested that a hearing date be set, a single arbitrator will be assigned. The arbitrator will be appointed by mutual agreement of the parties.
- (c) Notwithstanding Article 11.01 (b), when a single arbitrator has been appointed either party may deliver written notice within ten (10) calendar days of the appointment of the single arbitrator that it chooses to have the matter heard by a three (3) person panel. Both parties shall then have ten (10) calendar days to name their appointee to the three (3) person panel. The single arbitrator appointed pursuant to Article 11.01 (b) shall act as chairperson.

11.02 Arbitration Board Procedure

The arbitration board shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations. In its attempt to achieve justice, the arbitration board shall, as much as possible, follow a layman's procedure and avoid legalistic or formal procedures. All reasonable arrangements will be made to permit the conferring parties or the arbitrator to have access to the College's premises to view any working conditions which may be relevant to the settlement of the grievance.

11.03 Decision of the Arbitration Board

- (a) The arbitration board shall render a decision within thirty (30) days of the conclusion of the hearing or the receipt of the written submissions referred to in Article 11.03 (d).
- (b) The decision of the majority of the arbitration board shall be final and binding upon both parties.
- (c) Should the parties disagree as to the meaning of the decision or its implementation, either party may apply to the arbitration board to seek clarification of the decision or assistance in its implementation.
- (d) By mutual agreement the parties may have a grievance determined through written submissions and without a hearing.

11.04 Amending of Time Limits

The time limits fixed by this procedure may be extended by consent of the parties to this Agreement.

11.05 Expenses of the Arbitration Board

- (a) Each party shall pay one-half (1/2) of the remuneration and expenses of the arbitration board.
- (b) When a three (3) person arbitration board is used each party shall pay the fees and expenses of its appointee and one-half (1/2) of the fees and expenses of the chairperson.

11.06 Expedited Arbitration

- (a) By mutual agreement the parties may refer any matter to expedited arbitration in which case the decision shall be of no precedential value and shall not thereafter be referred to by the parties in respect of any other matter with the exception of discipline which may remain on an employee's file.
- (b) All presentations shall be short and concise and shall include a comprehensive opening statement. The parties agree to make limited use of authorities.
- (c) No written reasons will be provided beyond those which the arbitrator deems necessary to convey the decision.
- (d) Neither party shall appeal a decision of an expedited arbitration.
- (e) The parties shall equally share the costs of the fees and expenses of the arbitrator.
- (f) Any time prior to hearing either party may remove a matter from the expedited arbitration process and forward the matter through the arbitration process established pursuant to clause 11. In such an event, time limits shall not act as a bar to the grievance proceeding to arbitration.

ARTICLE 12: DISCIPLINE, DISMISSAL AND RESIGNATION

12.01 Burden of Proof

No employee shall be disciplined except for just cause. In cases of discipline the burden of proof shall rest with the College and all notices of discipline of just cause shall be in writing and copies given to the employee involved and the Union.

12.02 Adverse Report

- (a) In order to form part of an employee's personnel record at the College, any expression of dissatisfaction concerning an employee's work must be made in writing within ten (10) working days of the event of the complaint by the employee's excluded supervisor, and a copy of the complaint must be submitted to the employee and the Union. Extension to this time limit may be granted with the agreement of both parties. This Article does not apply to employee appraisals prepared pursuant to Article 31.07.
- (b) The employee has the right to reply to such a complaint and to have this reply filed in his personnel record. With the filing of an adverse report the College shall specify the nature of the change in performance required of the employee and the period of time in which the performance change should occur. This time period will be reasonable and fair. When the time specified has elapsed, an updated evaluation report will be filed and a copy given to the employee.
- (c) An adverse report is a reprimand and will not have copies circulated other than to the individual, the Union and the personnel file unless it recommends suspension or possible dismissal. The adverse report will be removed after eighteen (18) months from the date of the report provided there have been no further adverse reports during this period.

12.03 Disciplinary Measures

- (a) All disciplinary action shall be reported in writing to the President of the College who may suspend and/or terminate an employee. The employee will receive three (3) weeks notice of termination, or one (1) week if the employee has not completed probation, or payment in lieu of notice subject to the remaining sections of this clause.
- (b) An action by an employee which endangers himself, other staff or students or jeopardizes the ability of the College to provide its services, may lead to immediate suspension. Termination following such suspensions will be without notice.
- (c) Notwithstanding anything to the contrary contained in this clause, the College reserves the right of the President of the College to suspend or terminate an employee for just cause.
- (d) All correspondence to and from the College President under this clause shall be copied to the Union.

12.04 Right to Have Shop Steward Present

Notwithstanding the rights of a supervisor to supervise, evaluate and discipline employees, employees may, at their discretion, request the attendance of their shop steward at any discussion between an employee and a supervisor which the employee believes may result in an adverse report or discipline recommendation. Employees may request at any time during such discussions that further discussion be postponed until they can arrange for their shop steward to be present.

12.05 Access to Personnel File

- (a) An employee may review his personnel file at any time and may copy any documents therein. The employee may respond in writing to any document and such reply shall become part of his personnel file for the life of the documents.
- (b) For official College records and pursuant to clause 12.02 (Adverse Report), there shall be only one personnel file for each employee. This file shall be located in the Human Resources Office.

12.06 Resignation

- (a) Notwithstanding the College's need to obtain as much advance notice as possible of an employee's intention to resign from his position, any employee may terminate upon giving the College ten (10) working days written notice of the effective date of resignation. The employee shall receive termination pay and benefits as provided for in this Agreement.
- (b) An employee failing to give notice without proper cause shall receive termination pay and benefits as provided in the Statutes of the Province of British Columbia. No additional benefit entitlement as provided for in this Agreement shall apply.

12.07 Abandonment of Position

An employee who fails to report for duty for five (5) working days without informing the College of the reason for his absence shall be presumed to have abandoned his position without proper notice and clause 12.06 will be effected. An employee shall be afforded the opportunity to rebut such presumption and demonstrate that there were reasonable grounds for not informing the College.

12.08 Letters of Expectations

Letters of Expectation will not be the basis for discipline. Letters of Expectation will be removed from the employee's file upon request after eighteen (18) months provided no performance issues were addressed in writing during the eighteen (18) month period.

ARTICLE 13: SENIORITY

13.01 Seniority Defined

Seniority is defined as the total length of service in the bargaining unit as an employee, regardless of occupational change. Seniority shall be used as one of the factors in determining preference or priority for promotion, transfers, demotions, terminations and layoff caused by force reductions and recall. Seniority shall operate on a bargaining unit wide basis.

13.02 Computation of Seniority

- (a) All employees shall accrue seniority. Seniority will include all time worked within the bargaining unit unless otherwise specified in this Agreement. Seniority earned to March 31st 1982 shall be based on the date of commencement of employment within the bargaining unit. Effective April 1st 1982 seniority shall be prorated in accordance with the percentage of time worked.
- (b) Employees who leave the bargaining unit for any length of time to fill a position with the College outside the bargaining unit and then return to the bargaining unit shall retain their seniority excluding that period of service outside the bargaining unit.

13.03 Accrual of Seniority

Seniority shall accrue from the first day of employment within the bargaining unit and shall continue to accrue as follows:

- (a) when an employee in the bargaining unit is participating in a legal work stoppage;
- (b) for the first two (2) years of absence due to long term disability or workers' compensation;
- (c) for the first six (6) months of layoff, maternity leave, general leave without pay, or any combination thereof. Where this clause conflicts with clause 22.08 (d), 22.08 (d) shall prevail.

13.04 Loss of Seniority

An employee shall only lose his seniority in the event:

- (a) he is discharged for just cause and is not reinstated;
- (b) he resigns in writing and does not withdraw the resignation within two (2) days;
- (c) he fails to return to work within ten (10) working days following notification to do so by registered mail following a layoff, unless through sickness or other just cause;
- (d) he is laid off for a period longer than one (1) year. After the one (1) year period, upon application from the employee that he wishes to retain his recall rights for a further year, seniority will continue to be retained.

13.05 Seniority List

The College shall maintain a seniority list showing for each employee:

- (a) name;
- (b) date of first appointment within the bargaining unit;
- (c) length of seniority period;
- (d) position held on date seniority list prepared.

An up-to-date seniority list of all employees shall be sent to the Union and posted on all appropriate bulletin boards in January of each year.

ARTICLE 14: PROMOTIONS AND STAFF CHANGES

14.01 Job Postings

- (a) When a vacancy occurs, or a new position is created, either of which will be for a period of eight (8) weeks or longer, or when a part-time position that has been encumbered for a period of less than two (2) continuous years changes to full-time regular status, or when a term position changes to a regular position other than under clause 1.03 (d) (i) and (ii), the College shall notify the Union in writing and post notice of the position on the designated bulletin boards for a minimum of five (5) working days. At the same time, but not prior to the above posting the College may advertise externally for applications.
- (b) An application from an applicant with regular status submitted after the five (5) working day posting period will be included in the competition process whenever possible, but will be considered on the same basis as applicants who lack regular status.
- (c)
 - (i) Appointments will not be made, nor applications from other applicants considered, until all applications from regular employees have been fully processed, considered and the qualified regular applicants have been granted an interview. Consideration of the applications from other applicants will also be deferred until all regular applicants have been verbally advised by the hiring supervisor, of the reason(s) for their unsuitability to fill the posted position. The applicants concerned may request that the reason(s) be given in writing.
 - (ii) Regular employees may apply for another posted position within their probationary period but will be considered on the same basis as applicants who lack regular status.
- (d) When a position of less than eight (8) weeks duration is to be extended past the eight (8) weeks, the College shall post the position. The posting requirement may be waived with the mutual agreement of the College and the Union.
- (e) Job postings shall contain the job description provided pursuant to Article 24 and Article 25.

14.02 Information in Postings

- (a) Such notice shall contain the following information:
- nature of position;
 - qualifications, required knowledge, education and skills;
 - shift, wage rate and range;
 - the department of the College in which the position is available; and
 - whether the position is an established one and if so, the name of the incumbent.
- (b) Such qualifications, required knowledge, education and skills shall be those necessary to perform the job function and may not be established in an arbitrary or discriminatory manner. All job postings shall state “the College is an equal opportunity Employer”.

14.03 Role of Seniority in Promotions and Transfers

- (a) Both parties recognize:
- (i) the principle of promotion within the service of the College;
 - (ii) that job opportunity should increase in proportion to length of service.

Therefore, in making staff changes, transfers or promotions, due and thorough consideration will be given to the following guiding factors: qualifications, required knowledge, education, skills, ability to perform the work and seniority. Where, in all other respects two candidates are deemed to be relatively equal, the candidate with the greatest seniority will be offered the position.

- (b) Term employees who apply for another position at the College shall have their hours of service considered as seniority under Article 14.03 (a) provided there has not been a break in service of greater than one (1) year.
- (c) Appointments from within the bargaining unit shall be made within three weeks of the ending of the posting period

14.04 Internal Applications to Term Positions

To ensure the principle of opportunity and promotion within the College, while maintaining the existing levels of service provided, the College may, at its discretion, permit any regular employee to apply for and be awarded a term position of three (3) months or greater. The College will exercise its discretion in a reasonable manner and will deny permission only where there is a valid operational reason to do so. Upon completion [including extension(s)] and subsequent terms of the term appointment, the employee shall be returned to his or her regular position or to a comparable position. Such term appointments shall not interrupt the normal progress through the increment steps in the regular position.

14.05 Trial Period

- (a) A successful applicant from within the bargaining unit shall be placed on a trial period. This trial period will be three (3) months in length.
- (b) Conditional on satisfactory service, the employee shall be declared appointed upon completion of the trial period. Satisfactory service includes ability to do the job following an appropriate familiarization period. In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new position, he shall be returned to his former position and wage rate without loss of seniority. Any other employees promoted or transferred because of the rearrangement of positions shall also be returned to their former positions and wage rate and without loss of seniority.
- (c) Under special circumstances and with the mutual agreement of the College and the Union, the trial period in a position may be extended for a period not exceeding two (2) months.
- (d) Any leave from the position of longer than ten (10) consecutive working days during the trial period for sick leave, vacation or general leave of absence may extend the trial date by the length of that leave.
- (e) When an employee returns to the same position as that previously held within the last year, the time spent in the previous position shall be applied to the trial period.

14.06 Notification to Employee and Union

Within five (5) working days of the date of appointment to a vacancy or new position created, the name of the successful applicant shall be sent to each applicant and a copy posted on all appropriate bulletin boards. The Union shall be notified of all appointments, hiring, layoffs, transfers, recalls and terminations of employment.

14.07 Interview Panels

When the College deems it necessary to interview applicants for any positions, an interview panel shall be formed. At no time shall any member of the interview panel be related to any applicant being interviewed. All interviews must be done by panels. The panel will ordinarily include the hiring manager/supervisor, a co-worker and a representative from another department. An interview panel will ordinarily consist of not more than four (4) people. Additional people will require mutual agreement between the College and the Union. All applicants must be interviewed by the same panel comprised of the same members. All applicants shall receive the same questions in the interview and be rated in accordance with the guiding factors identified in clause 14.03 (a).

14.08 Eligibility for Postings

Casual and Term employees shall have such hours of service, from the first date of their employment, recognized for the purposes of applying for a position. In the event the selection process requires a tiebreaker, the hours of service shall be the determining factor.

ARTICLE 15: LAYOFFS AND RECALLS

15.01 Layoff

Layoff includes an involuntary cessation of employment or a reduction in hours of work due to lack of work, lack of funding or a reduction or discontinuation of services, but does not include dismissal, suspension, leave of absence or resignation.

15.02 Role of Seniority in Layoffs

- (a) Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, employees shall be laid off in the reverse order of their bargaining-unit-wide seniority, providing that the retained employees are able to perform the available work.
- (b) The layoff process will occur in accordance with the Layoff/Recall Policy and Procedures. In no case may this policy override a right or condition outlined within this Collective Agreement.

15.03 Recall Procedure

- (a) Employees shall be recalled in the order of their seniority, providing that they are able to perform the available work.
- (b) An employee on layoff may apply for any position posted during his layoff period with full confidence that his application will receive the same consideration as that provided for all regular applicants.
- (c) It shall be the responsibility of the employee to keep the College informed of his current address. An employee recalled for employment of less than one (1) month at a time when he is employed elsewhere shall not lose his recall rights for refusal to return to work.

15.04 Advance Notice

- (a) The College shall notify employees who are to be laid off for thirteen (13) weeks or less, twenty (20) working days prior to the effective date of the layoff. Notice of a layoff for longer than thirteen (13) weeks shall be according to the following schedule:

<u>Service</u>	<u>Notice Period</u>
4 years and less.....	20 days
5 years.....	25 days
6 years.....	30 days
7 years.....	35 days
8 years and longer.....	40 days

- (b) If the employee has not had the opportunity to work the full period after notice of layoff is given, he shall be paid in lieu of work for that part of the notice period during which work was not made available.

15.05 Severance Pay

An employee may choose to be paid severance pay at the time of layoff or at anytime within the two (2) year period following the layoff. When an employee chooses to accept regular employment made available under right of recall, or bumping action, any entitlement to severance pay is forfeited.

A regular employee who has elected severance pay rather than the right to recall shall be entitled to severance pay in a prorated amount equal to two (2) weeks pay for every year of service to a maximum of six (6) months pay. An employee electing severance pay will be deemed to have resigned and will have no further recourse to recall privileges.

15.06 Labour Adjustment

(a) College Commitments

It is agreed that the College will make every reasonable attempt to minimize the impact of funding shortfalls and reductions on the work force.

Subject to budgetary constraints and the amount of funding available for labour adjustment costs; fairness, flexibility and employee choice will prevail in the implementation of labour force adjustment strategies as approved by the College.

It is incumbent upon the College to communicate effectively with their employees and CUPE Local 2081 as soon as the impact of any funding reduction or shortfall or profile change has been assessed.

If a work force reduction is necessary, the Joint Labour Management or Joint Adjustment committee will canvas employees in a targeted area or other areas over a fourteen (14) day period, or such other period of time as the committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs.

(b) Menu of Labour Adjustment Strategies

To minimize layoffs, the following menu of labour force adjustment strategies will be considered and whenever reasonably possible, offered by the College:

- Job sharing.
- Reduced hours of work through partial leaves.
- Transfers to other areas within the bargaining unit subject to available work and meeting qualifications, with minimal training required.
- Paid and unpaid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- Voluntary severance.
- Purchasing past pensionable service. If permissible the employer will match a minimum of three years' contributions to the appropriate pension plan (College Pension Plan, Municipal Pension Plan or Public Service Pension Plan) where an employee opts for early retirement.
- Early retirement incentives.
- Agreed secondment.
- Retraining.

- Trial retirement.
- Continuation of health and welfare benefits.
- Combinations and variations of the above or other alternatives.

(c) **Layoffs May Occur**

Once strategies other than layoff have been explored, the institution may proceed, if need be, to layoffs. The system-wide Electronic Registry of Laid off Employees shall be available for those affected by lay-off.

(d) **No Stacking of Entitlements**

While various options may be considered and offered, there will be no stacking of entitlements.

(e) **Labour Adjustment Fund**

The parties agree to request the Ministry of Advanced Education, Training and Technology to maintain a Labour Adjustment Fund for the benefit of all employees and institutions.

The purpose of the Fund is to accommodate the needs of the employees and institutions in achieving targeted labour adjustments at an institution.

The parties recommend that the Ministry consult with them on the eligibility requirements for an institution to gain access to the Fund.

- (c) When a change from the normal scheduled hours of work is required and that change alters the employees start time by more than one hour, the employee shall be given five (5) working days written notice of such change. If the five (5) working days notice is not possible, the employee shall receive payment at overtime rates for all hours worked outside the normally scheduled hours until the five (5) days have expired.
- (d) No employee shall be required to change his schedule against his wishes when other qualified employees, who have completed probation, are willing to work the required schedule. Employees not required to work during the closure shall be paid according to their regular rates as though they were at work.

16.06 Modified Work Week Program

- (a) Participation in the modified Work Week Program shall be by work group subject to the following:
 - (i) Participation in the Modified Work Week Program requires the agreement of the work group manager and all employees in the work group.

- (ii) Not all employees in a work group are required to participate.
- (iii) Full time regular and full time recurring regular employees are eligible to participate. A term employee may only participate when replacing a regular or recurring employee who is participating in the Modified Work Week Program or at the discretion of the supervisor when operational requirements permit and no additional cost will be incurred by the College.
- (iv) Participating employees shall make up the hours of one (1) regular shift over a fourteen (14) day period in minimum blocks of thirty (30) minutes, in order to be eligible to take one (1) regular shift off within a twenty-one (21) day cycle.
- (v) Work groups wishing to participate in the Modified Work Week Program shall apply annually on the prescribed Labour Management application form no later than November 15th of each year. The forms shall be reviewed by the Labour Management Committee.
- (vi) The Modified Work Week Program will operate on a calendar year basis.
- (vii) Participation in the Modified Work Week Program shall not result in any change to an employee's compensation.
- (viii) In the event that existing levels of service cannot be maintained the College and the Union will seek to resolve the matter before the Labour Management Co-operation Committee. Enrolment in the Municipal Pension Plan shall be as set out in the Pension (Municipal) Act.

In order to enable employees who qualify according to the Municipal, College or Public Service Pension Act to buy back previous pensionable service, the Employer agrees to provide payroll deduction in an amount suitable to the employee and to provide the administration necessary to enable such buy back.

26.08 Group Disability Insurance

- (a) The College will pay the costs of a group disability insurance plan that provides a benefit level at one hundred percent (100%) for the first thirty (30) calendar days, short term disability benefits at seventy percent (70%) weekly indemnity for the next twenty-one (21) weeks, and long term disability benefits at seventy percent (70%) of the employee's gross monthly salary as defined on the basis of two (2) year own occupation and any other occupation thereafter.
- (b) Enrollment in the plan is mandatory for all regular employees with a workload of fifty percent (50%) or greater.
- (c) Regular employees who work less than a fifty percent (50%) workload shall be entitled to the same College provided sick leave for the first thirty (30) days for any single illness or injury as other regular employees. The provisions of the Short Term and Long Term disability plans bar such employees from participating.
- (d) For the length of time that the disability carrier covers an employee's disability claim under "own occupation" protection, an employee shall accrue seniority, retain the right to return to the same or equivalent position, and shall be entitled to all rights and benefits under this Collective Agreement. All employee's benefits, including pension, shall be paid by the College while the employee is disabled. Employees no longer covered by the "own occupation" protection (normally a maximum of two (2) years) shall no longer accumulate seniority, be eligible to participate in College benefit plans, or have a position saved for them at the College. Pensionable service time will continue to accrue in accordance with the Municipal Pension Act.
- (e) An employee who is no longer deemed disabled under the provisions of the disability income maintenance programme shall be placed in his/her former position with the College or equivalent, provided medical evidence indicates he is able to perform the work. An employee who is no longer receiving Long Term Disability benefits, but who is not able to return to his former position (or equivalent), will maintain regular status for a period of one (1) year for purposes of applying for posted vacancies and staff development funds only. In order to assist such an employee in a retraining process, the Labour/Management Cooperation Committee may exceed the individual maximum funding allowed under the staff development guidelines. This may include funding for career counselling.

By mutual agreement between the College and the Union, a posting may be waived to allow such an employee to be placed in a position for which she is qualified.

26.09 Vision Exam Benefit

Eligible employees will be entitled to be reimbursed a total of seventy-five dollars (\$75) every two (2) years for vision exams.

26.10 Benefits for Regular Recurring Employees on Layoff

- (a) Employees who elect not to participate in the group benefit plan may, on a one-time basis with the carrier's approval, elect to participate in the plan.
- (b) Employees who elected not to participate in the plan because they had alternate coverage through a spouse may elect to join the plan if the alternate coverage is lost.

ARTICLE 27: HEALTH AND SAFETY

27.01 Cooperation and Safety

The Union and the College shall cooperate in improving work procedures, equipment and methods to ensure that potential hazards are identified and controlled. The Union and the College shall also cooperate in improving rules and practices which will provide adequate protection to all employees.

Meetings shall be scheduled during normal College hours of operation. Representatives of the Union shall suffer no loss of pay for attending such meetings, workplace inspections or accident/incident investigations.
- (b) Time spent by designated committee representatives attending Health and Safety meetings held on their days of rest shall receive equivalent time off at straight time. As required, Union designated committee representatives shall be allowed one (1) hour preceding meetings to prepare documentation or reports.
- (c) Time spent by designated committee or Union Health and Safety representatives to attend to related business, as directed by the Health and Safety Committee, on their days of rest or outside regular scheduled hours of work shall receive equivalent time off at straight time.
- (d) For the purpose of calculating time spent by designated representatives in (b) and (c) above, travel time between campuses and to respond to emergency situations shall be included.
- (e) Copies of minutes of all committee meetings shall be sent to Health and Safety Committee members, the Department of College Safety, the Ministry of Advanced Education, Skills and Training, the College posting boards and to the Union.

27.04 Duty to Report Unsafe Conditions

Employees shall report unsafe working conditions to their supervisor. The supervisor shall report unsafe working conditions to the Facilities Services. Facilities Services shall report such concerns in writing to the Union/College Health and Safety Committee pursuant to Article 27.02.

Nothing in this Article precludes employees from also reporting their concerns to the Union/College Health and Safety Committee.

27.05 Right to Refuse Unsafe Work

An employee may refuse to perform work she considers to be unsafe. Such employee must immediately report the unsafe condition to her supervisor. The supervisor shall call in two members (one of whom will be a CUPE member) of the campus Health and Safety Committee to review and decide on the safety of the situation and any corrections required. The employee shall not lose pay, benefits or seniority, or be faced with any disciplinary action for refusing to perform duties which are considered to be unsafe or hazardous until corrected or reviewed. The College shall not assign any other employees to perform the work assignment in dispute.

27.06 Video Display Terminal

Employees who are required to regularly work directly with video display terminals (VDTs) shall do so under the following conditions:

- (a) Employees who operate VDTs on an ongoing basis shall have a ten (10) minute reassignment of duties away from the VDT after each hour of continuous operation. Continuous operation shall be defined as operation of the terminal without interruption from members of the public, the need to consult with supervisors, the need to access student paper files and other similar activities.
- (b) A pregnant employee who uses VDT equipment or is exposed to chemicals not proven safe for pregnancy may assume alternate available work for which she is qualified, or elect to take an unpaid leave of absence. An employee assuming alternate work shall be paid at the step of the pay grade of the new assignment that results in the least loss of pay but shall maintain the benefit plans associated with the previous assignment.
- (c) The College shall make every reasonable effort to:
 - (i) ensure the new VDTs have adjustable keyboards and screens;
 - (ii) minimize lighting glare;
 - (iii) arrange for an annual test for radiation or harmful emissions;
 - (iv) comply with WorkSafe BC publications entitled "Guidelines for Video Display Terminal Workplaces" and "Working with Video Display Terminals".

The College will include, as part of its employee orientation program, information on Emergency Preparedness and Procedures. Periodic events shall be held to test emergency preparedness.

27.09 First Aid Services

When an employee is designated to be a College First Aid Attendant, the cost of obtaining and renewing the Industrial First Aid Certificate shall be borne by the College. Leave to take the necessary courses shall be granted with pay.

ARTICLE 28: TECHNOLOGICAL AND OTHER CHANGES

28.01 Advance Notice

Three (3) months before the introduction of any technological change or new methods of operation which affect the rights of employees, conditions of employment, wage rates or work loads, the College shall notify the Union of the proposed change.

28.02 Consultation

Any such change shall be made only after the Union and the College have reached agreement on such change through collective bargaining.

28.03 Grievance Process

Where the Union feels that an employee(s) rights under this Collective Agreement have been violated, the matter shall be referred to the grievance procedure.

28.04 Transfer Arrangements

An employee who is displaced from his job by virtue of technological change or technological improvements will be given the opportunity to fill other vacancies according to seniority and ability, and shall not suffer loss of pay or loss of rights to wage increases by means of normal increment steps, negotiated wage increases or stipends. The anniversary date for increments shall remain the same as before the displacement.

28.05 Training Benefits

- (a) In the event that the College should introduce new methods or machines which require new or greater skills than are possessed by employees under the present method of operation, such employees shall, at the expense of the College, be given a period of time agreed upon by the College and the Union to perfect or acquire the skills necessitated by the new method of operation.
- (b) The expense of the College means:
 - (i) a time that is mutually convenient to the College and the employee;
 - (ii) overtime, if time is not available during regular working hours.

28.06 Employee Training

- (a) When new, enhanced or changed work processes are introduced into an employee's job, the Employer shall identify and provide the learning opportunities, support and/or training required to perform the job duties.
- (b) The Employer will discuss the employee development needs with the affected employees.
- (c) Employees shall suffer no loss of pay, excluding overtime, to participate in this training.

28.07 No New Employees

No additional employees shall be hired by the College until the employees already working have been notified of the proposed technological or other change and allowed a training period to acquire the necessary knowledge or skill for the trainees to retain their employment.

ARTICLE 29: JOB SECURITY

29.01 Contracting Out

The College reserves the right to enter into any contract to carry out work which the staff in the bargaining unit are incapable of handling.

29.02 Additional Limitation on Contracting Out

- (a) In addition to, and without limiting any provision in the Collective Agreement the College will not contract out any work presently performed by the employees covered by this collective agreement which would result in the layoff of such employees, including a reduction in assigned workload.
- (b) The College to provide, upon request of the Union, copies of all purchase service agreements to the Bargaining Unit President/Chairperson and to discuss the contracts that are of concern to the Union. The Parties recognize the obligations of the College under the Freedom of Information and Protection of Privacy legislation and agree to maintain confidentiality of all private information in these contracts.

ARTICLE 30: STAFF DEVELOPMENT AND TRAINING

30.01 Education Leave

When the College requests an employee to take a course, the employee shall be granted time off with pay to attend course lectures and to write examinations and shall be reimbursed by the College for course fees and other approved costs.

30.02 Staff Development Fund

- (a) An amount equal to three-quarters of one percent (0.75%) of the gross annual CUPE payroll shall be allocated to the Staff Development Fund. Twenty percent (20%) of the fund will be used to sponsor College-wide in-house group courses. The balance of the fund is to be used to:
 - (i) Cover all or a portion of the approved costs of educational requests from employees.
 - (ii) Supplement outside funds and/or cover a portion of the non-salary costs associated with approved programmes, including exchanges within the College or other organizations.
- (b) The Labour/Management Committee shall receive and review all requests for use of staff development funds. The committee shall establish guidelines for the administration of the staff development programme and will consult on making training pursuant to this Article to the mutual benefit of the Union; its' members; and the College. Time spent in activities approved under this Article is not eligible for overtime entitlements. Reclassification of positions shall not be affected by skills developed by employees through participation in an approved staff development programme.

31.03 Parking

Wherever the College absorbs the cost of parking for other employees, this same privilege will be extended to support staff employees.

31.04 Pyramiding

- (a) Where an employee holds more than one (1) CUPE bargaining unit position concurrently, the combined hours of service in the positions will be considered for the purposes of seniority calculations (to a maximum of seven (7) hours per day, seven and one-half (7½) for facilities services staff), layoff and recall, sick leave entitlement, eligibility for benefits (provided the appointments are all of the employment status required to achieve eligibility for such benefit), and the proration of benefit premiums.
- (b) Where an employee holds more than one (1) CUPE bargaining unit position concurrently, the employee cannot compound the positions held or their related work hours for purposes of claiming entitlement to overtime, changes in employment status, shift premiums, overtime compensations, call-out compensation and the scheduling of vacation.
- (c) Where a CUPE bargaining unit member also holds a position(s) with the College that is not within the scope of the certification granted to the Union, the employee cannot compound the positions held or their related work hours for any purpose. An employee will not be required to pay CUPE Union dues or assessments on any hours worked in positions outside the certification granted to the Union.

31.05 Indemnity

Except where a joint Union-College committee considers that there has been flagrant or wilful negligence on the part of an employee, the College agrees not to seek indemnity against an employee whose actions result in a judgement against an employee arising out of the performance of his duties. Furthermore, the College agrees to pay any judgement against an employee arising out of the performance of her duties and also agrees to pay any legal costs incurred in the proceedings.

31.06 Crossing of Picket Lines During Strike

- (a) The College shall not request, require or direct employees within this bargaining unit to perform work during legal strikes that would normally have been carried out by those on strike. Nor shall the employee be required to cross any picket line legally established under the Statutes of British Columbia.

Re: Vacation Selection Pursuant to Article 20

If there is no informal consensus in a department or workgroup regarding the scheduling of vacation, this Letter of Agreement will apply.

As a guiding principle, employees earn vacation and are entitled to take vacation. It is the joint responsibility of the College and employees to ensure that vacation is scheduled and taken. The following guideline is to provide assistance and reference.

In order to provide fairness and equity within the context of the Collective Agreement, vacation scheduling requests may be considered in the following manner, but does not preclude vacation requests being submitted and considered at shorter notice or longer notice:

1. Departments will post and advise employees of periods of time that staffing level requirements may limit vacation approvals.
2. Employees' applications for vacations made prior to February 28th of each year shall be given preference in order of seniority. Applications for vacation made after February 28th will be on a first-come-first-serve basis only.
3. The supervisor when applicable will post vacation schedules advising of conflicting dates and the workgroup will try to resolve conflicts within itself no later than five working days after the deadline of February 28th.
4. Written confirmation will be returned to employees within ten working days of February 28th or when submitted in order to allow as much time for vacation planning as possible.
5. Supervisors will attempt to resolve conflicts at the work group level through the applications of seniority.
6. Disputed vacation requests that cannot be resolved at the Supervisor/Employee level will be forwarded to the Labour Management Co-operation Committee for determination. Pursuit of such issues by way of this Letter of Agreement will have the effect of waiving time lines within the grievance process. However, either party may access the grievance procedure at any time.

7. Employees are encouraged to discuss unusual or short notice requests with their Supervisors prior to making definite travel plans.

LAYOFF / RECALL POLICY

Decision Chart

At all times, except severance, employees retain the right to recall to their own job for two (2) years from the time the layoff occurs.

All employees affected by this policy retain the right to apply for any posting during the process.

APPENDIX "A"

LAYOFF / RECALL POLICY AND PROCEDURES

A – POLICY:

- A.1 This policy is created in accordance with the Collective Agreement between the College and CUPE Local 2081. In no case may this policy override a right or condition outlined within the Collective Agreement except by mutual agreement of the parties.
- A.2 Each layoff stands alone in the application of this policy and these procedures.
- A.3 This Policy & Procedures shall be reviewed at the request of either Party by the Labour Management Cooperation Committee and shall not be changed except by mutual agreement between the parties.
- A.4 In accordance with clause 15.01 of the Collective Agreement, "layoff includes an involuntary cessation of employment or a reduction in hours of work due to lack of work, lack of funding or a reduction or discontinuation of services, but does not include dismissal, suspension, leave of absence or resignation".
- A.5 In accordance with clause 15.02 (a) of the Collective Agreement, "Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, employees shall be laid off in the reverse order of their bargaining-unit-wide seniority, PROVIDING that the retained employees are able to perform the available work".
- A.6 "Able to perform" means having the requisite education, skills, experience and ability to perform the major activities and responsibilities of the position which accumulate in whole numbers to at least 75% of the job as listed in order of importance within a JAJEC Questionnaire [section II (3)] or in the latest job description where no questionnaire exists. In deciding the "ability to perform" the supervisor of the vacant position shall be consulted about the requirements of the job.
- A.7 With as much notice as possible, the College, through the Director of Human Resources, shall discuss with the Union any anticipated situations that may lead to employee layoffs.
- A.8 Where layoffs become necessary, the College and the Union shall attempt to keep any disruption to a minimum for the College and for employees.
- A.9 The Director of Human Resources shall be responsible for the co-ordination and facilitation of all layoff procedures.
- A.10 An employee shall receive as much advance information as possible about a potential layoff. The Supervisor shall meet with the employee and a Union shop steward. This meeting does not constitute formal notice under Article 15.04 (a).
- A.11 Formal notification of a layoff and a written outline of the employee's options will be given to the employee by the Director of Human Resources with the participation of a Union shop steward and the employee's supervisor.

- A.12 Employees who are to be laid off shall be advised, as part of their formal notification, of their four options under the terms of the Collective Agreement and this Policy and Procedures:
- (a) they may accept the layoff and retain internal and external recall rights to their laid off position according to the Layoff and Recall Policy & Procedures (this includes the ability to convert from the recall to severance option at a later date while on the external recall list awaiting re-employment); or
 - (b) they may accept a severance package on their initial layoff date and terminate their employment rights and benefits with the College; or
 - (c) they may accept the option to bump into another position (maintaining internal recall in accordance with Sections C.3 – C.8) and request the Labour Management Co-operation Layoff Sub Committee to identify the appropriate position in accordance with #16 of this Procedure; or
 - (d) they may request that the Layoff Sub Committee investigate alternate employment opportunities for them within the College. Employees shall be entitled, at the conclusion of alternate employment opportunities, to exercise their rights under (a), (b) or (c) above or they may exercise their rights under Article 15.03 and Section C of this Policy. This includes the ability to convert from the recall to severance option at a later date while on the external recall list awaiting re-employment.
- A.13 A term employee's options include recall, bumping and alternate employment opportunities only to term positions. A term employee does not have a severance option.
- A.14 A recurring regular employee as defined in Article 1.02 (b) would have full entitlement to these options in the event that there is a reduction in regular scheduled working hours.
- A.15 The Layoff Sub Committee shall be comprised of regular membership of the Labour Management Co-operation Committee plus one member from management and one from the Union. A quorum will consist of attendance of three members from each side.
- A.16 In defining alternate employment opportunities, the sub committee shall consider both the employee's preferences for employment and the College's need to maintain efficiency and effectiveness.
- A.17 An alternate employment opportunity shall not normally be to a classification which is placed at a higher pay band, except as set out in the procedures.
- A.18 A regular employee may accept alternate employment in any position regardless of its employment status (regular, recurring regular, or term) or working hours (part-time or full-time).
- A.19 A regular employee who is placed into a term appointment as part of the alternate employment process shall retain all rights of his/her regular appointment status.
- A.20 An employee on layoff with recall rights when not holding any position with the College may, at his/her request, remain on any existing benefit plan, except disability and pension, during his/her layoff by paying the full premium for the benefit(s) monthly in advance.
- A.21 Communication and consultation with the employee, the current supervisor and prospective supervisors will occur throughout the process.

B – LAYOFF PROCEDURES:

- B.1 The College, usually through the Budget Development Committee, shall identify the specific staff positions that are being considered for reduction or elimination. The individual identified to receive layoff notice will be the most junior employee within the job description AND within a department or normal working cluster of departments where position transfers occur without postings. Campus location shall not be considered in identifying the most junior employee within the job description.
- B.2 With as much notice as possible, the Director of Human Resources shall discuss the potential layoff(s) with a representative of CUPE Local 2081.
- B.3 A meeting with the employee potentially affected will be arranged by the supervisor and a Union shop steward to advise the employee of the possible layoff situation.
- B.4 When a layoff is confirmed to occur, the Director of Human Resources and a Union shop steward shall meet with the employee affected and his/her supervisor or other departmental support person. At that meeting, the employee shall be advised of the confirmation of the layoff, the effective date and the options available to him/her. Such information will also be supplied in writing and shall constitute the formal notification of layoff.

The Layoff Sub Committee shall receive a copy of the layoff letter.

- B.5 The employee shall be given a period of seven calendar days in which to advise the Director of Human Resources of his/her choice of option. If the employee wishes to exercise his/her right to alternate employment opportunities, the employee will be encouraged to immediately update the information contained within his/her personnel file to include current qualifications, skills, abilities and references.

Alternate Employment Opportunities:

- B.6 When an employee requests an alternate employment opportunity within the College, the Layoff Sub Committee shall be responsible for identifying such alternate employment opportunities. The process of identifying alternate employment opportunities will be initiated within seven calendar days of the employee's request.
- B.7 For each alternate placement opportunity, the Director of Human Resources shall provide to the Committee:
- The most current resume of the employee to be relocated.
 - An up-to-date seniority list for CUPE Local 2081.
 - A list, in seniority order, of employees and their positions within each pay band.
 - A list of retirements expected to be occurring within the next twelve months.
 - A list of positions expected to be vacant within the next twelve months.
 - Job descriptions and such other information as requested by the Committee.
 - Employee's preference (if any) with respect to hours of work.

- B.8 An alternate employment opportunity shall include consideration of the following actions:
- Waiving of the posting requirement for current vacancies.
 - Building employment bridging through the use of vacancies, term positions and/or unpaid leaves of absence to place the employee in a future vacancy.

As well, the Layoff Sub Committee may canvas other employees who may wish to trade positions with the laid off employee during the alternate employment opportunity.

- B.9 When a regular employee is placed in an alternate employment opportunity, the employee shall have his/her wage, benefits, increments and right to wage increases protected in the pay band he/she was receiving at the time of layoff.
- B.10 Salary protection shall be for the basic pay band assigned to the layoff position only. Salary protection will not be extended to cover any stipends for teaching, B.C. stationary engineers certificate – 4th class, journeyman trades certificate, or pesticide certificate when that work is not actually being performed. Salary protection shall occur for a maximum of six months in a twelve month period, beginning with the first alternate opportunity placement.
- B.11 In identifying alternate employment opportunities, the Layoff Sub Committee shall review all vacancy opportunities for positions which the employee is "able to perform". Where a temporary or permanent placement in a vacancy is possible, the supervisor of the vacant position shall be consulted about the requirements of the job. Where the Committee agrees that the employee could be reasonably expected to perform the duties of the position after a basic orientation, the posting requirement for the position will be waived and the employee shall be placed in the position.
- B.12 Should either the employee or the supervisor identify, within the first four months of the alternate employment opportunity placement, in the same or lower pay band, that there are serious problems occurring in the ability to perform the work of the new position, the Layoff Sub Committee will cancel the placement and process an alternate employment opportunity if possible. When placement is in a higher pay band, a trial period as defined in Article 14.05 shall apply.
- B.13 When an alternate employment opportunity has been actioned, both the employee and the supervisor will be requested to provide feedback to the Layoff Sub Committee regarding the appropriateness of the placement and the effectiveness of the Policy.

Bumping Options:

- B.14 Should the Layoff Sub Committee be unable to identify any alternate employment opportunities, the employee must choose one of the other identified options.
- B.15 When an employee chooses the severance option, the severance amount as calculated under Article 15.05 shall be reduced by the additional wages required to provide salary protection.
- B.16 In the following order, the Layoff Sub Committee shall identify the position(s) the employee is able to perform and the related pay band(s) that the employee will move to:
- (a) Wherever possible, a junior position in the same pay band with the same or greater hours.

- (b) Where (a) is not possible, the following options will be considered in order to minimize the economic impact to the laid off employee:
- A junior position in a higher pay band with the same or greater hours, when the employee has previously held the position and successfully completed a probationary or trial period therein.
 - A junior position in the same pay band with less hours.
 - A junior position in a lower pay band closest to the employee's pre-layoff pay band with the same or greater hours.
 - A junior position in a lower pay band closest to the employee's pre-layoff pay band with less hours.
- * A junior position will be the most junior position that satisfies the intent, not necessarily the junior position in the pay band.

B.17 Where more than one position is feasible, but they are significantly different in nature, the Layoff Sub Committee shall consult with the employee prior to making the final decision.

B.18 Where the bumping situation defined in #16 is to a position at the same or higher pay band as that currently received by the employee, the employee shall be placed at the pay step that is equal to the employee's current rate. If no rate is equal, the employee will be placed at the next pay step which is higher than the current rate.

If the employee is placed at a pay step that is equal to their current rate, the employee shall receive credit for service in the step of the original pay band, towards their next increment.

The employee shall maintain all rights to increments and any further salary increases.

B.19 Where the bumping situation identified in #16 is to a position in a lower pay band, the employee will be placed in the pay band for the bumped position and at the salary step that would minimize the employee's loss in pay (excluding any stipends previously received). Only employees with five or more years of service with the College may be placed at Step E of the new pay band.

B.20 By mutual agreement of the parties, Article 23.07 of the Collective Agreement is waived to provide:

- (a) That employees with five (5) or more years of service with the College may be placed at Step E of the new pay band.
- (b) That employees shall receive credit for service in Step D towards their next increment, including Step E.

C – RECALL PROCEDURES:

- C.1 The recall option exists for all employees, other than those who have chosen the severance option, for a two (2) year period.
- C.2 Recall of employees shall be based on seniority provided that they are able to perform the available work.

Internal Recall:

- C.3 When an employee has maintained employment with the College, either through the alternate employment opportunities or bumping options, that employee shall remain on an internal recall list and shall have the right of first refusal should his/her position (same classification, department, status and hours) be reinstated.
- C.4 Employees on the internal recall list shall make all other job changes through the Collective Agreement's provisions for vacancy competitions.
- C.5 An employee on the internal recall list who accepts a permanent placement, by virtue of alternate employment or bumping, forfeits any right to a severance payment.
- C.6 An employee on the internal recall list who resigns shall lose his/her right to any further recall.
- C.7 An employee recalled to his/her former position shall be reinstated at the pay step that he/she was receiving at the time of layoff.
- C.8 An employee who bumps to maintain employment and subsequently returns to their previous position, shall be entitled to credit for the time worked towards the next increment.

External Recall:

- C.9 When an employee has not maintained employment with the College that employee shall be placed on the external recall list on the basis of seniority and shall have the right of first refusal for any alternate employment opportunity which he/she is "able to perform".
- C.10 Able to perform is defined under Section A of this policy.
- C.11 An employee on the external recall list may request the College to pay out the severance package at any time during the two (2) year period and at that point shall be deemed to have resigned.
- C.12 An employee on the external recall list shall have the right to be recalled into a position of a higher pay band than that of his/her laid off position when that employee has previously been an incumbent of that position and has passed a probation or trial period in the position.
- C.13 The Union agrees that postings for vacant positions may be waived in order to offer employment that will enable a laid off employee on the external recall list to return to the College.
- C.14 The College will give priority to employees on the external recall list when casual and term assignments of less than three (3) months occur.

- C.15 After two (2) years on the external recall list, the employee shall be deemed terminated and the severance pay shall be paid.
- C.16 An employee recalled to other than his/her former position shall be appointed to the pay band and associated with that position and shall receive the pay step in accordance with Section B.18, B.19 and B.20 of this Policy.

General:

- C.17 An employee is not removed from the internal recall list until the expiry of twenty-four (24) months or reinstatement to his/her original position, whichever comes first.
- C.18 An employee is not removed from the external recall list until twenty-four accumulated months without employment or acceptance of a position with the same status (regular or term) as that held at the time of layoff.
- C.19 Acceptance of employment opportunities at the College that are not of the same status as that held at the time of layoff shall extend the period of recall rights by the length of such employment.
