ON THE FRONT LINE

Welcome to Camosun College and congratulations on your new position!

As support staff at the college, you are now a member of CUPE Local 2081. You are one of more than 600 members who work at both Camosun campuses. We are the front-line workers who keep the college operating on a daily basis.

About CUPE

Local 2081 is part of the Canadian Union of Public Employees, Canada's largest union with over 680,000 members across the country. CUPE represents workers in health care, emergency services, education, early learning and child care, municipalities, social services, libraries, utilities, transportation, airlines and more. There are more than 70 offices across the country, in every province.

What CUPE Local 2081 Does for You

We ensure that students, staff, and visitors on both campuses stay safe and healthy, and that our workers get fair pay and benefits for the services we provide.

Some of Local 2081's achievements for members:

- Comprehensive benefits package that includes dental, vision, and alternate therapies such as acupuncture, massage, and naturopathy
- Reasonable pension plans providing financial security for members after they retire from the college
- Paid days off when the college is closed between Christmas and New Year's Day

Know Your Rights

The Collective Agreement is a contract between you and the employer. It has clear language and guidelines that protect your rights as a worker at the college, providing information on how much you can work and for how long, health and safety considerations, leave time, and much much more.

When in doubt about anything about your job duties or your supervisor's expectations, consult your copy of the Collective Agreement for clarity.

CUPE Local 2081 Leadership

Local 2081 is powered by members who care about our fellow members and are committed to creating a safe and healthy workplace for everyone. The membership elects an Executive Board at the Annual General Meeting and this board guides the work of your union.

The up-to-date Executive Board is listed on the Local 2081 website.
