

**EXECUTIVE OR GENERAL REPORT – MEMBER AT LARGE**

January 18, 2021

Greetings,

Happy 2021 to everyone.

Since joining the CUPE 2081 executive team this past July I have thoroughly enjoyed working with Shelley, the Education Coordinator. I find myself quite lucky to be working on the CUPE SD, it is very fulfilling working with members to apply the personal development funds to help fulfil professional goals and personal wellbeing.

I continue to spend most of my time working on the SD Sub-Committee, reviewing the SD applications, reaching out to members with pending applications or questions that have come up while their application is under review, with the ultimate goal to get the member the funds they are entitled to while ensuring all checks and balances are in order.

I would like to express my sincere gratitude to Erynne Grant and Shelley Butler for the support and exceptional mentorship they have offered.

In Solidarity,

**Alesha Peters** | Member At Large
