

**EXECUTIVE REPORT – APRIL ATKINS, OCCUPATIONAL HEALTH AND
SAFETY COORDINATOR**

February 13, 2020

- On February 5, 2020 I sat on an interview panel for the Occupational Safety & Health (OHS) Coordinator position with Camosun College. The candidates interviewed for this position were not selected. The posting will go up again hoping for a suitable applicant. I predict it will take another month before we know who will replace Cam Kirkpatrick in the OHS Coordinator position.
- The JOSH Committee was cancelled today and will reconvene next Thursday, February 20, 2020. We are always seeking more members to join the JOSH Committee.
- JEIP has been busy with several members transitioning back to work. The committee has a new member on the committee, Jesse Scott. Jesse is a Grounds Foreman for Camosun College and is a Shop Steward. Welcome Jesse!
