

INTERURBAN CAMPUS SHOP STEWARD REPORT

JAN 12/2021

Greetings Brothers and Sisters,

I hope your 2021 is off to a good start and I hope 2021 delivers what 2020 owes to all of us!

As the Interurban Campus Shop Steward, I had the opportunity to assist a few members with their queries and this helped me to become a more conversant and knowledgeable shop steward.

Areas that members had questions about or needed assistance with were:

- 1- Respectful Work Place Policy
- 2- Bonus vacations that members are entitled to every 5 years
- 3- Regularization of term employees
- 4- Retro pays
- 5- Sick leave process

I would like to express my sincere gratitude to sister Erynne Grant for the exceptional support, leadership and mentorship that she generously offers. I feel very supported in my role and I have learned a lot from Erynne. Thank you Erynne.

I wish every one a healthy and safe year.

Stay healthy and safe.

In solidarity,

Naji Yazdi
