Frequently Asked Questions

- 1. I have a photocopy of my official transcripts; can I use that instead of ordering a new official copy?**
Yes. Photocopies are acceptable.
- 2. Can I give my application to my local's scholarship committee member?**
No. All applications must be emailed to gvcupescholarshipcommittee@gmail.com
- 3. Can I drop my application off in person?**
No. All applications must be emailed to gvcupescholarshipcommittee@gmail.com
- 4. What if I am not the biological child of the CUPE member?**
This award is designed to financially assist CUPE members with the expenses involved in supporting a child through post-secondary education. If you are a part of the CUPE member's family unit and the other eligibility requirements are met, then you can apply. If you need further clarification, please contact one of the GV CUPE scholarship committee representatives.
- 5. How much is the award?**
The amount of the award varies based on contributions from participating CUPE locals.
- 6. How does the scholarship committee determine who shall receive an award?**
The award recipients are determined based on a number of combined factors: your transcripts, your introduction letter, and your reference letter. You will be at a disadvantage if your application does not include each of these items. The committee strives to award at least one student from each of the participating locals. When there are no applicants from one or more of the participating locals, the committee will choose from the greater applicant pool.
- 7. When will I find out if I am receiving a scholarship award?** The scholarship committee meets in the fall to review applications and to determine the award recipients. The committee will advise all applicants whether or not they will receive an award. Cheques are typically mailed out in November.
- 8. I was not awarded a scholarship and would like to appeal the committee's decision. How do I do that?**
All of the committee's decisions are final and there is no appeal process. This scholarship is awarded competitively, and the competition can be close. If you remain eligible in future years, you are welcome to apply again.
- 9. I have received a scholarship from this committee in the past. Can I apply again?**
No. If you have previously been awarded a scholarship from this committee, you are not eligible to apply again.
- 10. I would like to thank the committee for my scholarship. To whom do I send my thank-you email?**
Thanks can be emailed to gvcupescholarshipcommittee@gmail.com or sent by post to
